

PDA's Introduction to Polyurea Online Training Session
Wednesday, September 9 at 10 a.m. central
Online via Zoom

Session Summary: If you are new to spraying polyurea, or have a new contractor working on your team, PDA is offering its *Introduction to Polyurea* as a virtual webinar. This hour long webinar will provide an in-depth look into concepts and information on topics of physical properties of polyurea, testing procedures, surface preparations, application procedures and techniques, and advances in and types of equipment. This session is free for PDA members and will cost \$30 for non-members.

PDA's 20th Anniversary Conference
Wednesday, October 28 - Friday, October 31, 2020
Online via Zoom

New this year is the offering of virtual attendance. We know COVID-19 has put a strain on some businesses, and we want to make sure the industry professionals can attend in other capacities.

To be a part of this event with attendees from the U.S. and a dozen other countries from around the world, register for this exceptional conference TODAY using this link:

https://www.pda-online.org/ev_calendar_day.asp?eventid=24&evreg1=2&t=&testmtype=&pub=1

**Registration can be based on the three days of sessions or various days of the conference.
Registration for members is \$20/daily session or \$50 for the full conference.
Registration for non-members is \$40/daily session or \$75 for the full conference*
